

Sociale Gourmet Shipping Policy

We use plenty of dry ice and a reusable, insulated cooler - a packaging combination that will insure your products arrive frozen and in excellent condition. And, we can get your package to you when you want it! When you place your order, you will have the option to select your own date of delivery based on availability. As you finalize your order and select your arrival date, the appropriate shipping and handling charge will be applied.

To guarantee delivery, we must have proper and complete addresses. Sorry, we cannot deliver to P.O. Boxes or A.P.O. and F.P.O. addresses. We'll gladly deliver to rural routes with complete addresses and telephone numbers.

Due to import/export restrictions, we are unable to ship our products outside the United States, Canada, Puerto Rico and the US Virgin Islands.
